In Memoriam

Cynthia Ann Sission

Words cannot express the love and admiration we hold for Cynthia. She was a 1971 graduate of New Hope High School. Her life was an inspiration to all who knew her. May God bless each member of her family as he blessed her.

Dedication

Marvin Rickman

We, the annual staff, most affectionately dedicate the 1972 TROJAN to a great guy.

Mr. Rickman came to New Hope in 1962. He was the High School Social Studies teacher fo eight years. During this time, he served as sponsor of the senior class. Many senior trips were successful because of his wise leadership.

For the past year he has served as Elementary school principal. The High School's loss was a Elementary School's gain, because he has now undertaken a greater challenge-Elementary Students.

Principal

Mr. Cecil Vaughan

This school year has been a successful one. I hope that in addition to their academic achievements our students have learned the ten commandments of success.

1. Work Hard. Hard work is the best investment a man can make.
2. Study Hard. Knowledge enables a man to work more intelligently and effectively
3. Have Initiative. Ruts often deepen into graves.
4. Love Your Work. Then you will find pleasure in doing it.
5. Be Exact. Splishod methods bring only splishod results.
6. Have the American Sprit of Conquest. Thus you can successfully battle with and overcome difficulty.
7. Cultivate Personality. Personality is to man what perfume is to a flower.
8. Help and Share With Others. The real test of business greatness lies in giving opportunity to others.
9. Be Democratic. Unless you feel right towards your fellow man you can never be a successful leader of men.
10. In All Things Do Your Best. The Man who has done his best has done everything. The man who has done less than his best has done nothing.

Our magic moments
fade to memory,
And this enchanted evening
now is o'er –
But all our joy and happiness
will be
Enshrined within
this "Keepsake" evermore.

In years to come, how fondly we'll relive
These happy days with those
whom time now parts,
Teachers, friends, and classmates –
all whose names

I think you are one of the craziest things that ever came on this earth. I could wish you good luck but I don't think you need it.
